## Stand up to Governor Malloy's Cuts to MidState Medical Center and Middlesex Hospital

MidState Medical Center and Middlesex Hospital are vital to our region as health care providers, major employers and bioscience incubators.

When Governor Malloy chose to cut funding for hospitals last September, I immediately denounced the cuts and called for a reversal of that plan. I made the case that our hospitals are critical to the health and welfare of the residents in our region.

**I continued fighting for additional funding for MidState and Middlesex throughout the fall.** MidState Medical Center was scheduled to get an additional \$3.7 million, and Middlesex Hospital was scheduled to receive \$3.2 million.

Then this month, **Governor Malloy** went back on his promise to our community and chose to **single-handedly withhold millions in funding for MidState and Middlesex.** Now, the governor is starting to realize the importance of this funding and we need to keep the pressure on.

I will continue to stand up to Governor Malloy's cuts. This is going to be a very tough fight and we need everyone to have their voice heard.

**That's why I am asking you to join me.**

Contact Governor Malloy's office at 800-406-1527 or [Governor.Malloy@CT.gov](mailto:Governor.Malloy@CT.gov) and tell him to stop hurting those served by our local hospitals.
