FROM YOUR STATE SENATOR

Terry Gerratana

The most frequent concern that families, seniors and small-business owners express to me is about property and car taxes. I am helping lead the charge to provide New Britain and other municipalities with the resources needed to limit these crippling taxes. As we move forward, the state will cap car taxes and dedicate one-half percent of its sales tax revenue to cities and towns to help alleviate pressure on the property tax.

Cutting Car Taxes

This summer, car taxes throughout the state will be capped at 32 mills, and in 2017 the cap will be lowered to 29.36 mills for every year thereafter.

Currently, New Britain's mill rate is 49*, which means this cap will **cut car taxes by about 35 percent starting with your July car tax bill.**

*The New Britain Downtown District has a mill rate of 53.2. This cap will bring a car tax cut of 40 percent.
