Senate Passes Budget with **NO STATE TAX INCREASES** for Farmington

FROM YOUR STATE SENATOR

Terry Gerratana

This year, I supported and helped pass a budget with no new taxes. The budget makes long-term spending cuts, consolidates government, institutes fiscal reforms and reduces state employee benefits.

**Nonpartisan analysts: CT budget
wipes away lots of red ink**

- Despite a budget deficit, **Farmington received \$5.8 million in state aid this year**
- Continues a **strong level of local education funding** to ensure our education pipeline remains robust
- **Dedicates a new stream of state funding to every town** in the state in order to hold down property taxes

Spending Cuts & Structural Changes

- **\$1.5 billion from the state's budget has been cut** over the past year
- Significantly **cuts the government's payroll**
- Continues the plan to **fully fund past pension liabilities**

Sends a Strong Message to Businesses

- Does NOT raise income tax rates
- Does NOT raise sales tax rates
- Does NOT raise business or corporate tax rates

Leverages Our Bioscience Sector & Highly Educated Workforce

- **Maintains a strong level of investment in our community hospitals**, the drivers of local economies and our emerging bioscience sector
- **Continues to invest significantly in our colleges and universities**, which are hubs of innovation, ensuring we have a competitive, highly educated workforce
