## Stand Up to Governor Malloy's Cuts to Our Hospitals

Bridgeport Hospital and St. Vincent's Medical Center are vital regional health care providers, employers and bioscience incubators.

When Governor Malloy chose to cut hospital funding in September, I immediately denounced the cuts and called for a reversal of that plan. I made the case that our hospitals are critical to our region.

I continued fighting for additional funding for both Bridgeport Hospital and St. Vincent's throughout the fall, including the December Special Session. **Overall we successfully secured an additional \$16.5 million combined for the two hospitals.**

Recently, **Governor Malloy** went back on his promise to our community and **single-handedly withheld millions in funding for our Bridgeport hospitals.** Now, the governor is starting to realize the importance of this funding and we need to keep the pressure on.

I will continue to stand up to Governor Malloy's cuts. This is going to be a very tough fight and we need everyone to have their voice heard.  
**That's why I am asking you to join me.**
