Stand Up to Governor Malloy's Cuts to Milford Hospital

Milford Hospital is vital to our region as a health care provider, major employer and bioscience incubator.

When Governor Malloy chose to cut hospital funding in September, I immediately denounced the cuts and called for a reversal of that plan. I made the case that our hospital is unique.

I continued fighting for additional funding for Milford Hospital throughout the fall, including the December Special Session. **Overall, we successfully secured an additional \$1.1 million for the hospital.**

Then in March, **Governor Malloy** went back on his promise to our community and chose to **single-handedly withhold hundreds of thousands in funding for Milford Hospital**. Now, the governor is starting to realize the importance of this funding and we need to keep the pressure on.

I will continue to stand up to Governor Malloy's cuts. This is going to be a very tough fight and we need everyone to have their voice heard.
That's why I am asking you to join me.

With Milford Hospital President and CEO Joseph Pelaccia before I spoke to the Hospital's Board of Directors about my efforts to restore and preserve state funding for Milford Hospital. (October 14, 2015)
