

Supporting West Haven Families, Schools & Taxpayers

As a State Senator, it is my job to bring back needed funding from the State Capitol to the City of West Haven. This year, despite a tough budget, I was able to **secure resources for local education**. In addition, I helped **increase state aid for West Haven's city budget** to take pressure off of local property taxes and directly **cut car taxes through state funding** for the first time in history.
