# Secure Your Savings Secure Your Future

## Join Me for a Free Financial Planning Event

I have a real passion for making banks and financial markets work for families. As Chair of the Banking Committee in the State Senate, I have too often seen how the financial system is focused on the bottom line of shareholders and not the people at large. Person by person, neighborhood by neighborhood, I am trying to fix that.

I hope you will join me for a free financial planning event to learn how to protect, preserve and grow your hard-earned money. Representatives from the **Financial Planning Association** will offer practical planning suggestions on topics including budgeting and retirement planning. In addition, the **Connecticut Department of Banking** will give a presentation on protecting yourself from identity theft, banking scams and repairing your credit rating. **The event is free and open to everybody.**

**Wednesday, April 6th – 7:00 to 9:00 PM**  
**Stetson Branch Library**  
**200 Dixwell Avenue, New Haven**
